

SOLIS Citrus Juicer

Type 8453

The Solis Citrus Juicer is an all-rounder that does not only provide freshly squeezed orange juice on Sunday mornings.

Anti-Drip Spout

The practical anti-drip juice spout can be folded up after juicing to prevent juice from spilling out.

Timeless Design

The use of high-quality stainless steel and timeless design of the juicer easily blends into any kitchen.

Easy to Use

Start automatically by simply pressing down the lever press arm of the juicer.

Comfort & Power

Powerful and particularly quiet motor, soft touch handle, secure stand thanks to non-slip suction cup feet.

Easy cleaning

The parts of the juicer are easy to remove for easy cleaning.

Various Citrus Fruits

For healthy and refreshing fruit juice: automatic press for effortless juicing of citrus fruits of all sizes.

Features

- + Powerful 160W motor
- + Easy automatic start
- + Practical anti-drip spout
