

SOLIS Vac Stick

Quick, handy and cable-free.

Type 5707

reddot winner 2025

SINCE 1908

Solis

Food preservation

Increases the lifespan of foods in reusable bags.

Great compatibility

Operates with most accessories from Solis and also with containers from other brands.

Wine preservation

Keeps opened wine drinkable for longer (bottle stoppers available as accessories.)

Failsafe design

The liquid absorber prevents any small amounts of liquid drawn in from entering the device.

Sturdy & durable

Robust metal casing with coating against fingerprints.

Convenient charging

Can be charged at any USB connection.
