

# Solis Rice & Potato Paddle

Perfect for ladling and stirring rice and potatoes.

## Burlled surface

The burlled surface of the ladle bowl helps stop rice from sticking.

## Convenient feet

Feet keep the ladle bowl off the support surface when it is put down.

## 8 water drainage openings

The drain openings ensure that the residual water in the trough drips off.

## Dishwasher safe

Easy to clean and suitable for dishwasher.

## Food-grade material

The paddle is made of food grade material.

## No scratching

The paddle protects the sensitive coating of the cooking pot.

## Features

- + Small ridges around the drainage openings help prevent liquids from dripping when the ladle is put down.
- + Light and handy
- + Solid and torsion-resistant
- + BPA-free

## Specifications
