

# SOLIS Rice & Potato Cooker

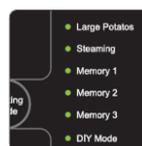

Type 8161

Rice cooked to perfection, perfectly cooked potatoes of various sizes as well as healthy and vitamin-preserving steaming of vegetables, fish and much more.

## Multifunctional

Cooks rice and potatoes and steams vegetables or fish exactly to your taste.

## Automatic

7 programs, 3 programmable memory functions, 24-hour timer, automatic switch-off, individually adjustable temperature and cooking time.

## Warm up & keep warm

Practical function for reheating or keeping food warm.

## Capacity of 5 litres

The large non-stick pan can cook up to 1.8 litres uncooked rice or about 10 large cups of rice at a time.

## Illuminated on / off switch

Easy and user-friendly operation thanks to the illuminated on / off switch.

## 3D-heating-system

The appliance heats not only at the bottom but also at the side. This means that the contents are cooked faster, more evenly and more energy-efficiently.

## Features

- + Fully automatic and clean, without risk of overcooking
- + Cooking programs for different types of rice and potato sizes
- + Various programs for own settings and DIY functions
- + Incl. cooking insert, steamer insert, measuring cup and rice ladle
