

MULTI-FUNCTIONAL FOOT BATH SPA AND MASSAGER

Pampering indulgence for weary feet

Pamper and re-energise weary feet by treating them to the indulgent Multi-Functional Foot Bath Spa and massager. The soothing, multifunctional foot bath uses motorized reflexology foot rollers to knead key pressure points, while gentle vibrations combined with the bubbling water to relieve overworked muscles, tendons and ligaments to bring tired feet back to life.

A smart display allows you to select the perfect water temperature to fully soothe your soles for a moment of true indulgence.
